- Excellent communication skills

Front-End Developer / Back-End Developer

About me

I am looking for a full-time Web Developer position where I can apply my current knowledge and learn new technologies in a professional environment.

I also love practicing sports, going to the gym, and I do a performance sport—arm wrestling.

Work experience

Programming Instructor/Mentor/Manager · UpKid

March 2023 - March 2025 · 2 years 1 month

Taught Python to children and teenagers

Created and adapted educational materials

Developed communication skills and the ability to explain technical concepts clearly

I have trained teachers, conducted hiring interviews, prepared teacher internships, assigned lessons to teachers, dismissed employees, and ensured that all lessons were conducted according to requirements.

Skills: GitHub;, Git, C++, Bootstrap(know how to use); Python, Material UI, JavaScript; React (basic), CSS, HTML

Desired industry

- IT, Tech

Education: Specialized secondary

Driving licence

Category: B
